New class offering

We want your classes to be successful. We can advise you on your marketing plan and best practice, and we will help you to promote your classes in the local area. If you are considering starting a **new class** (1), we can help you get established by providing the hall at no charge for one hour for the first 4 weeks.

Notes:

1. *To qualify for our 'New class' offering the class must enhance and not replicate our range of class offerings.*
